

PRESS RELEASE

Annual Stone Store University Seminar

January 30, 2014 - Hanover, Maryland – The Annual Stone Store University Seminar will be held on Thursday, February 13, 2014 at The Stone Store for all Contractors interested in learning new skills to improve their business. This year's Cleaning, Sealing, and Sanding Course focuses on all the tips, tricks and details related to cleaners, sealers and polymeric sands. The seminar has been pre-approved by ICPI for certified continuing education and all attendees will earn 1 ICPI credit.

This one-day course is a must for experienced contractors interested in gaining education regarding Cleaners, Sealers, and Polymeric Sands continuous growth in the industry. The course explores characteristics of various polymeric sands, the importance of Cleaner and Sealer chemical makeup, the proper application of Cleaners & Sealers, helpful tricks of the trade, how to avoid common failure issues and much more! It is an ideal opportunity for those looking to expand their business and professional knowledge.

The Cleaning, Sealing, and Sanding Course will also provide breakfast and lunch, along with giveaways compliments of the event sponsors, The Stone Store and Alliance Gator. This free seminar is scheduled to take place from 8am – 12pm at The Stone Store in Hanover, MD. For additional information or to RSVP, email support@thestonestore.com or call 1-888-766-4242 X100.
